Bright Red/Classic Black

Price €180

✓ **Extra padding**

Headrest made of shock-absorbing material. Comfortable pillow like material keeps your child upright.

✓ **Install with car seat belt & seatbelt guider**

GII/GIII seat belt installation:  
For children between 15 to 36kg  
From approx. 3 years to 12 years

Seatbelt guider ensures proper placement of the seatbelt.

✓ **Install with comfort cushion & 5-point safety harness**

GI seat belt installation:  
For children between 9 to 18kg  
From approx. 9 months to 12 years

5-point safety harness provides comfort for child's back. Harness installation absorbs crash forces and reduces the child's forward movement in a collision.

✓ **Removable cup holder**

It can be attached to the left or right side of the seat.

✓ **Rear facing top tether guider**  
**Ensures proper placement of top tether.**  
 Versatile top tether allows placement of car seat on either side for ease of access for your child compared to traditional car seats with a middle top tether.

✓ **All around protection**  
 Additional padding provides better protection for child's head. Headrest made of shock-absorbing material.

✓ **5-point safety harness**  
 5-point safety harness disperses shock effectively during the crash.

✓ **Non support leg design**  
 Takes up less space!  
 Ease of mobility.

*「 Compact design for everyone's comfort ! 」*

✓ **Uncomplicated European Isofix connector**  
 Proper installation by insertion of isofix to isofix anchor smoothly. Different from American latch isofix, European Isofix is simple to install.

✓ **Separable design**  
 No more struggling to install a heavy carseat! The Cuore012 carseat breaks down into two separate parts for an easier, lighter installation.

✓ **Adjustable pushbar height**

Adaptable to the height of every parent!  
(100-107cm/39.4-42.1in)

✓ **Click and Switch**

Easy transformation between rear and forward facing positions with one quick finger motion.

✓ **Turn knob to switch suspension**

Turn knob to the left for soft terrain such as grass, cobblestone, sand, and uneven ground.

✓ **Kick lock**

Lock and release brakes with one foot.

✓ **Removable wheels**

One click removes wheels for storage.

✓ **Extra safety leash** ①

Bumper bar ..... ②

Pushbar ..... ③

Belt made with hand-sewn leather

✓ **Footrest with 4 adjustable positions** ④

✓ **Easy to fold**

Fold the stroller in a simple way.

✓ **Breezy view**

A window on the awning to enable eye contact.

✓ **Adjustable footrest**

Easy to adjust for comfort.

✓ **Large basket for storage**

Maximum load weight: 2kg/4.4lbs.

✓ **Extends to 178 degrees**

Adjustable seat reclines up to 178 degrees. Perfect for newborns to age 3-4.

✓ **360 degree movement**

Suspension on each wheel ensures a smooth ride. Four wheels allow travel on any terrain.

✓ **Powerfully built yet lightweight!  
6.7kg/14.7lb**

Our stroller is lightweight but durable, as the metal frame is made of the top aerospace aluminum.

✓ **Classic design**

Additional footrest for safety and comfort.

✓ **Compact design**

Dimensions are 49\*55\*25.5cm/19.3\*21.7\*10in. Aircraft approved, suitable for most airlines. Suitable for moped and the wandering family.

✓ **Easy to control and manipulate**

Only one hand needed to fold, unfold, and push.

- ✓ **Belt guider 1**  
Adjust belt according to child's height to prevent injury.

- ✓ **Removable and washable cover**  
Easily removable!  
Unbutton, unzip, and wash!

- ✓ **Adjustable design**  
Recline angle can be adjusted from 90 to 180 degrees.

- ✓ **Replaceable back rest**  
Back rest is easily removable, converting your child's car seat into a booster seat. Smaller back rest available as an attachment to the booster seat as well.

- ✓ **Dual retractable cup holders**  
Cup holders on each side are retractable.

- ✓ **Light mesh cushion 2**  
Breathable material and interior ventilation holes keep your child cool in hot weather.

- ✓ **Practical design 3**  
Additional lap belt guiders to ensure proper placement of seatbelt.

- ✓ **Install with ISOFIX/Car seat belt**  
NI can be used with or without Isofix equipment.

### Adjustable headrest

Height can be adjusted from 69 to 80cm (27 to 31.5in)

### All around protection

Headrest made of shock-absorbing material. Comfortable pillow like material keeps your child upright.

### Seatbelt guider

Adjustable seatbelt guider ensures that your child's seatbelt is properly fastened across their chest, not their neck.

### Install with Isofix/Car seat belt

NI+ can be installed in both European and American cars.

### Replaceable back rest

Back rest is easily removable, converting your child's car seat into a booster seat. Smaller back rest available as an attachment to the booster seat as well.

### Adjustable design

Recline angle can be adjusted from 90 to 180 degrees.

### Dual retractable cup holders

Cup holders on each side are retractable.

### Light mesh cushion

Breathable material and interior ventilation holes keep your child cool in hot weather.
